
Section IX

Professional, Legal, Ethical, and Social Responsibility

Volume 6 of *Best Practices in School Psychology V* supports an understanding of the Blueprint III competency emphasizing professional, legal, ethical, and social responsibility.

Description: School psychologists should be prepared to practice in ways that meet all appropriate ethical, professional, and legal standards in order to enhance the quality of services and protect the rights of all parties, and should maintain certification or licensure while attending continuing education functions as necessary and required.
